We will be offering a *Learn to Skate USA* Program at Lynch Arena in Pawtucket on Saturdays and Providence College on Sundays. Please check our website for the most up-to-date information.

## **Service Requirement**

The Board has established the requirement that each skater who contracts ice time or purchases a Season Pass, work four hours at one of the Club's fundraising activities, such as the Providence Open. The proceeds from fundraisers, such as this, are being used to subsidize the ice bills of PPFSC skaters, and we need workers to ensure that we are indeed able to successfully run these activities. There will be a variety of options that will be available for service time, assuring that everyone will be able to meet the obligation without difficulty.

Some of the events/activities that will provide service opportunities include, but are not limited to:

- Learn to Skate Program on Saturdays or Sundays
- PPFSC Holiday Exhibition
- LeeAnn Miele Skating Festival- November 10, 2024

The service time can be fulfilled by either an adult family member or the skater of an appropriate age. A fee of \$100 will be added to the January ice bill of every skater who does not fulfill the requirement.

## **The Season Pass**

We are offering this option to skaters who are unable to make a commitment to contracted ice time, but purchase many walk-ons over the course of the season. The Season Pass involves the purchase of a package of 20 walk-on passes for the upcoming season. This will cost less than the equivalent number of walk-ons at the regular rate. The advantage of the Season Pass is that it allows flexibility over the course of the season.

### The Season Pass

- will be treated like a contract and will incur Session Admin fees and the service requirement as described above;
- does not guarantee a spot on the ice; it can only be used if space is available;
- can be used on any Open Combined session on either Saturday or Sunday;
- is to be used by only one skater, just like a contracted session; and
- is valid only for the fall/winter season.

In addition, a skater with a Season Pass will be given the priority for a place on an ice session over a regular walk-on.
