Important: What to wear

- **warm, comfortable clothing:** It is recommended that skaters dress as if they were going outside on a cold winter day. Dress in layers, and don't forget gloves or mittens.
- **skates:** Skaters need to have their own skates. Double-runner ice skates are not allowed because they actually interfere with progress. We strongly recommend buying good-quality skates made by companies such as Riedell and Jackson. Look for skates that provide enough support in the ankle.
- **helmet:** It is highly recommended that skaters wear a helmet during class time. Visit our website to learn more about helmets. ppfsc.org/learn-to-skate
