

First Day of class, Sunday, September 22, 2019

PPFSC Learn to Skate will hold its first class on Sunday, September 22.

Reminder: Classes will be held at Schneider Arena, Providence College.

Because we were late in producing our registration information, we are NOT enforcing the deadline for registration.

All skaters who want to participate in our program should plan on coming to Schneider ready to skate at 11 a.m. We are not requiring a payment on the first day of class; however, each skater must submit a completed 1019-20 Learn to Skate USA registration form if this has not been done since June 30. This must be done before a skater is allowed on the ice. You can either download this form by clicking on the link on our Learn to Skate page, or use the forms that we will have available at the front desk. Payments are due by the second week of class.

We are asking for your help in scheduling our coaches. Please email to let us know if you or your skater will be participating in our fall session. Thank you to those who have already done so. Also, if your skater is joining the Introduction to Synchronized Skating, please let us know that as well. For the first week of class, the synchro skaters will skate at 11 a.m.

Please remember:

Skaters must have their own skates. Skates should have been recently sharpened, even new ones!

Skaters should have a helmet. A bicycle helmet is sufficient.
